

Blu Profondo

Stylema in deep blue

Faema presented Stylema to the Host 2007 public in the new deep blue dress. And it was an immediate success. The elegant design of the machine stands out thanks to the contrast between the metallic blue and the steel.

Faema has significantly contributed to the history of professional espresso coffee and cappuccino machines in Italy and around the world. Faema has been producing espresso coffee machines with distinctive elegant design and always innovative technological features since 1945. The Group is based close to Milan. Its 4 manufacturing plants, covering a total of 75,000 m², of which 40,000 m² indoor, represent the world's largest area completely dedicated to the production of professional espresso coffee machines. Today the Group exports almost 70% of its production in more than 100 countries through a network of more than 700 direct distributors that are organized to provide also after-sales support to end users.
